An indoor painting opportunity for all plein air artists is being sponsored by the Greater Haverhill Arts Association and hosted by Nunan Florist & Greenhouses. Artists can choose to paint in the greenhouse on any or all of the above dates. All artists & mediums are welcome; artists bring their own equipment and materials; painting is 10 AM – 2 PM, but hours are flexible.

For the Exhibit Nunan's will provide lattice panels to display artwork, refreshments and publicity; the GHAA will provide publicity, assist participants, and handle sales. Artists may participate in the Exhibit without participating in the 'Paint-In'. Exhibited artwork is not limited to that done during the 'Paint-In'; preferably it would be of related subject matter. Artists will hang their own work (drapery hooks will be available) and provide their own labels/tags and/or price list.

There is no fee; the GHAA will handle sales at the Exhibit (artist 80%, GHAA 20%).

We want to keep the event flexible, but to help us make it enjoyable for all, send this form to indicate your intent to participate to Ann Jones, 2 Sylvan Street, Groveland MA 01834 (or email [info@haverhillartassociation.org](mailto:info@haverhillartassociation.org)) by **January 5<sup>th</sup>**.
